 Encumbrances ?
 E- 1 ?
 Features and Levels shown on this plan are for general design works only - any critical dimensions required should be requested independently of this plan. Prior to any demolition, excavation or construction on this site the relevant Authorities should be contacted to ascertain detailed locations of all existing services and the possible locations of future services.
 For site dimensions and easement details please refer to the relevant Certificate of Title.
 Underground assets shown are approximate only and are only intended to be indicative of assets in that area. No guarantee can be given to the completeness of underground assets shown. Underground asset locations should be confirmed before any excavation works.
